Sir,

Community Projects--South Kanara--Scheme for the participation of students--Sanction--Request.

Ref: Govt. Memo. No.81323 R.D.P.VI/54-2 dated 3-8-1954.

In the Govt. memorandum cited, the scheme for students' camps under the local development works programme at 12 annas per day for student and for a shorter duration of less than a month has been cancelled. The new scheme now prepared ~~ft~~ differs from the previous scheme sanctioned in Memorandum No. 1965 Finance (C.P.III)/53-8.d.2.6.195 with regard to the number of participants of the camp. While the old scheme prescribed a minimum of 20 students and the duration of ~~the~~ 14 days for a camp, the new scheme contemplates the number of students ranging from 50 to 300 and the duration ranging from 3 weeks to 4 weeks. This has stood in the way of organising small camps of shorter duration with lesser number of participants which can be organised durin-g Dasara Holidays and Christmas Holidays. It will be useful to organise camps of lesser duration for utilising the services of the students in theCommunity Project area during short term holidays.

I therefore recommend that students' camps of not less than 10 days and with not less 20 participants may permitted in the Commnnity Project area at the cost of Community Project on the same lines as before. For this purpose a ~~x~~ lumpsum grant of Rs.5000/- may be allotted from the Community Project funds. The expenditure may be met from theprovisions made under the 'Social Education' or 'Education' as there will be savings to that extent under these heads. I therefore solicit the favour of early sanction of a lumpsum grant of Rs.5,000/- as stated above. ~~N~~ A sum of Rs.2,000/- may be required for expenditure in 1954-55 if the scheme is sanctioned early.

Yours faithfully,

10-9-54

Project Executive Officer.

Ref: From the P.E.O Mangalore Rep. C.No 1434/53 B Edn dt 7-9-54

Please see the letter from the P.E.O Mangalore at ref cf. The Ministry of Edn of the Govt of India have formulated a scheme on youth camps and labour Services by students, details of which are at Pp 2-b of (V)

Pp 2-b of (V)

According to the scheme, the maximum capacity of a camp is fixed at 300 and the minimum at 50 and the duration of the camp should be 4 weeks, which may be reduced to 3 weeks in exceptional cases. In view of the above instructions, it does not seem desirable to divert the funds available under Education or Social Education of the Community Projects Scheme for students camps. Further, appreciable work cannot be turned out by students if they work for short periods. In the circumstances it is for orders whether the proposals of the PBo will be negatived. Subject to orders, a draft memo is put up below
